SC connector, with short bend protection (pigtail), for single mode 9/125 µm, PC polishing, blue

Product Description

SC connector for pigtails, full and compact wires, diameter: 0.6 mm to 0.9 mm, single mode 9/125 µm, PC polishing
The reusable connector is particularly suitable for quick and easy field connection, as there is no need for bonding and polishing.

Why buy this product

- suitable for quick and easy field assembly or repair
- No bonding or polishing
- Reusable connectors
- A real alternative to splicing
- Optimum attenuation values with easy assembly
- Long-term durability, thanks to the latest index matching gel
- the 8° fiber transition ensures optimum return loss (RL)
- meets IEC 61754-4 (SC) and FprEN 50377-17-1 (connectors for field assembly)
- Cleave technology
- Reusable connectors
