

## C14 Male to C13 Female Power Cable, C13 to C14 PDU Style - 10A, 100–250V, 18 AWG, 4 ft., Green

MODEL NUMBER: P004-004-GN

Green computer power extension cord connects devices with C13/C14 power connectors or extends your existing power connection by 4 ft.

### Features

#### C14-to-C13 Power Cable Connects Computers, Printers, Servers and Other Equipment

This IEC-320-C14 to IEC-320-C13 cable is designed for small data center, office workstation and other lower-amp applications. This C14 male to C13 female cord can be used to power a computer, server or monitor; attach a server or drive to a UPS system or PDU; or extend an existing connection up to four feet. The four-foot length helps reduce cable clutter and minimize the risk of tripping.

#### Color-Coded to Avoid Misidentification That Can Cause Costly Downtime

This computer power extension cord features a green SJT jacket and fully molded green ends. The color-coding allows easy, fast identification in a crowded rack or workstation and helps prevent the cable from becoming inadvertently disconnected.

### Highlights

- Recommended for powering computers, printers and other essential peripherals
- 4 ft. length allows flexibility in placing devices, while avoiding cable clutter
- C13-to-C14 PDU-style extension cord is ideal replacement for worn-out or missing cable
- Color-coded green for fast, easy identification in a crowded rack or workstation

### Applications

- Connect devices like computers, servers and monitors to a PDU up to 4 ft. away in your data center
- Extend an existing power connection up to 4 ft. to more easily place a device or reach a power source near your workstation
- Provide a high-quality replacement for a worn-out or missing power cord

### Package Includes

- P004-004 C14 Male to C13 Female Power Cable, 4 ft., Green
