

Chipsmall Limited consists of a professional team with an average of over 10 year of expertise in the distribution of electronic components. Based in Hongkong, we have already established firm and mutual-benefit business relationships with customers from, Europe, America and south Asia, supplying obsolete and hard-to-find components to meet their specific needs.

With the principle of "Quality Parts, Customers Priority, Honest Operation, and Considerate Service", our business mainly focus on the distribution of electronic components. Line cards we deal with include Microchip, ALPS, ROHM, Xilinx, Pulse, ON, Everlight and Freescale. Main products comprise IC, Modules, Potentiometer, IC Socket, Relay, Connector. Our parts cover such applications as commercial, industrial, and automotives areas.

We are looking forward to setting up business relationship with you and hope to provide you with the best service and solution. Let us make a better world for our industry!

ZM CONNECTOR

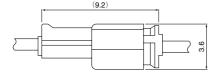

1.5mm pitch/Crimp style Wire-to-wire connectors Matable with ZH and ZR receptacles

1.5mm pitch connectors allow higher densities.

- Compact design
- · Housing-to-terminal locks
- Both crimp style and insulation displacement receptacles can be used
- Fully shrouded header resists "rocking" during mating

ZM/ZH connector

Specifications ——

- Current rating: 0.7A AC, DC max. (AWG #28)
- Voltage rating: 50V AC, DC max. (See Note below.)
- Temperature range: -25°C to +85°C

(including temperature rise in applying

electrical current)

• Contact resistance: Initial value/ 20m Ω max.

After environmental testing/ 30m Ω max.

- Insulation resistance: 500M Ω min.
- Withstanding voltage: 500V AC/minute
- Applicable wire: AWG #30 to #28

Note: Contacts are exposed at the housing lances.

Care should be taken so that these parts do not touch the

metal section of the chasis.

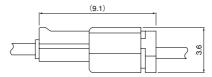

- * Compliant with RoHS.
- * Refer to "General Instruction and Notice when using Terminals and Connectors" at the end of this catalog.
- * Contact JST for details.
